

INSIGHT PHARMACY STAFF CLINICAL EDUCATION PROGRAMME – 2026

We're delighted to introduce the 16th year of our distance learning **Clinical Education Programme**, specially created for **front shop pharmacy assistants** and proudly developed and administered by **Insight Medicine Information**.

Running alongside our **Continuing Education Programme for pharmacists**, this course focuses on key topics that will equip pharmacy assistants to confidently and knowledgeably engage with customers about common medical conditions and which products can be used.

The 2026 topics include: Blood Pressure, Weight Loss, ADHD, Osteoporosis, and Childhood Vaccinations.

The Programme offers five easy-to-access online study modules, released every two months on our website (<https://www.insightcpd.co.za>). Each module will be accompanied by a multiple-choice question test and a certificate will be awarded on successful completion of 4 of the 5 modules for the year.

To enrol for 2026, simply fill in the enrolment form below, pay by EFT and email the Enrolment Form and Proof of Payment to cpd@insightmed.co.za. **Remember: Early bird enrolment** is only valid from 6 October 2025 to 6 January 2026.

For registration queries, please contact (011) 706 6939. For further information regarding the modules, contact Glynis or Jacky on tel. (011) 706 6939, cell 083 601 4567 or e-mail: cpd@insightmed.co.za or see the website above.
