Introducing the 
**PSSA SERITI
CUPBOARD**

We're proud to be part of a meaningful initiative that supports students in need by providing access to essential food and hygiene items.

**IT IS BUILT ON A SIMPLE PRINCIPLE OF
SHARED CARE AND DIGNITY:**

Those who have extra or abundance are encouraged to contribute by placing items in the cupboard.

Those who are in need are welcome to take what they require — no questions asked.

This initiative exists to ensure that no student goes without basic necessities, while fostering a culture of kindness, respect, and community.

Together,
**we uphold dignity
and integrity for all.**
