

SCHOOL OF PHARMACY

Dear Prospective Student

Re: Higher Certificate in Vaccinology

Thank you for your enquiry regarding the HCert in Vaccinology. Enclosed you will find details of the course, plus the application forms.

The programme is divided into two blocks consisting of 11 modules offered over a minimum period of 30 weeks. The first part of the programme (Modules 1 to 5) will be taught entirely online, with Blackboard being used as the LMS. The second part of the programme (Modules 6 to 11) combines online teaching with practical assignments. These modules all start with one week of theory, including a formative assessment followed by practical assignments. For these practicals, students without recognition of prior learning will attend a workshop where they will be taught, supervised and assessed using hypothetical clients and simulated scenarios. Throughout the programme, students will be required to develop their own Portfolio of Vaccinology Theory and Practice.

If you are interested in applying for the course, please complete the necessary application forms. In addition, we also require the following supporting documents:

- Applicant information sheet
- Tertiary healthcare qualification certificate(s) (Certified Copy)
- Identity Document / Passport (Certified Copy)
- Matric certificate / equivalent (Certified Copy)
